

# HSP AND YL PROGRAMS

Imagine Education's High School Preparation and Young Learner English programs are delivered by world-class teaching staff who encourage independent learning in a caring and supportive environment.

## HIGH SCHOOL PREPARATION PROGRAM

**DURATION:** Up to 60 weeks

**ENGLISH FOR:** Children soon to enter high school (13 to 18 years old)

**CAMPUS:** Main Campus

- Course content based on Queensland secondary school core subject areas
- Students assessed in the areas of listening, speaking, reading, writing, and grammar
- Designed to help provide a smooth transition into high-schools
- Course delivery encourages positive, pro-active learning, with caring individual attention
- Small class size guarantees individual attention
- Students take part in a variety of co-curricular activities to compliment classroom learning

## YOUNG LEARNERS ENGLISH PROGRAM

**DURATION:** 1-40 weeks

**ENGLISH FOR:** Children aged six to 12 years old

**CAMPUS:** Main Campus

- Closely follows the Australian Primary School Syllabus
- Prepares children for Australian primary school
- No minimum number of weeks to study
- Small class sizes guarantee individual attention
- Suitable as a holiday program for children travelling with family

Our programs are tailored to prepare students for study in Australian schools. We are proudly partnered with the following select highschools for our students to transition into upon completing our program.

 **Cathedral School, Townsville**

## STUDENT SERVICES

We offer our students a range of student services to assist them during their time at Imagine Education Australia.

- Free introduction to Australian private schools
- Daily tutor support in addition to classroom teaching
- Counselling; both personal and academic
- 24-hour contactable staff
- Free Imagine bus
- Friendly and highly trained Student Services staff
- Activities and sports calendar

## THE GOLD COAST

The Gold Coast is an amazing place to live, and has been voted "the best city by the beach" for international students to live and study in.

- Population of 50,000, including 14,000 international students
- 300 days of sunshine, and 52km of golden beaches
- World-class education system producing highly-sought after graduates
- Education and living costs are significantly lower in Australia than other countries
